Scavenger Hunt Raises over \$5,000

December 2005

This Saturday, December 3, we all met at Rattlestick to embark on a fund-raising scavenger hunt around the West Village. Split into 3 teams of 8, our hunters — armed with cameras and Rattlestick backpacks — took the West Village by storm and, in the process, raised over \$5,000 from local sponsors and friends. Prizes were awarded to the team who earned the most total points, either by answering historical questions, finding special locations, creatively capturing images or reenacting historical events.
