

What's On Stage at the Rattlestick

We Need Your Help

Year End 2005

We rely upon your support in order to continue producing vital new works by young American playwrights each year. To everyone who has already made a donation to Rattlestick this year, we thank you! And to those of you who have yet to make a donation in 2005, it's not too late. [You can donate online today!](#)

This has been exciting an exciting year for us, from producing our first musical, *God Hates the Irish: The Ballad of Armless Johnny*, for which we garnered a Drama Desk nomination, to inaugurating our New Translations Project with Craig Lucas' new adaptation of *Miss Julie* and launching our 2005-06 season with the critically-acclaimed production of Craig Wright's *The Pavilion*, starring Stephen Bogardus, Brian D'Arcy James, and Jenny Mudge.

We hope that you value our work and will be able to make a donation to Rattlestick this year. See you in 2006!
